

March 28, 1994

LR 355, 356, 364

now to Legislative Resolutions.

CLERK: Madam President, LR 355 offered by Senator McKenzie is found on page 1390 of the Journal.

PRESIDENT ROBAK: Senator McKenzie.

SENATOR MCKENZIE: Thank you, Madam President. I bring to you today a resolution honoring a former member of this body, Roland Kreutz of Harvard, who in 1951 served as a state senator from that legislative district. Roland Kreutz was a man who spent a great deal of time giving himself in service to his community. He served as a committeeman for ASCS. He served on school boards, his church committees, a member of the Masonic Lodge, a county commissioner, and also, as I stated before, a state senator. Roland Kreutz passed away March 20th, I believe, and would ask your support in honoring him and sending this resolution recognizing his service to family members. Thank you.

PRESIDENT ROBAK: Thank you, Senator McKenzie. LR 356.

CLERK: LR 356, Madam President, offered by Senator Pirsch. It is found on page 1391 of the Journal.

PRESIDENT ROBAK: Senator Pirsch. Is there anyone here prepared to handle the legislative resolution, 356, for Senator Pirsch? We will turn to LR 364 at this time in waiting to see if Senator Pirsch arrives.

CLERK: LR 364, Madam President, offered by Senator Robak found on page 1394.

PRESIDENT ROBAK: Senator Robak.

SENATOR ROBAK: Thank you, Madam President, members of the body. This resolution would honor Katherine Hegemann from Columbus Scotus Junior-Senior High School. Ms. Hegemann was one of the two Nebraska students to win the High School Amateur Athletic Union-Mars Milky Way All-American Award. This award was given for academic, athletic, and community service. Before too many of you snicker, there were ten thousand students nationwide that applied for this award, and only two were given to the State of Nebraska. The other was a senior at Creighton Prep. Ms. Hegemann lettered in four varsity sports, maintained a 4.0
